SLX 400 OUTBOARD FEATURES

- An expansive cockpit social zone has a well-appointed wet bar with refrigerator, sink and available dual grills while the innovative new transom patio wing opens to extend the cockpit all the way to the water.
- At the bow, a row of forward touring seats features arm rests and convenient cupholders, with additional forward benches that surround a stylish bow table, which also converts into a sunpad.
- Best-In-Class seating layout includes seating for 22.
- Plenty of sun coverage via fiberglass hardtop w/optional aft extended sunshade & bow sail shade system.
- For overnighting, premium comforts extend to the cabin via a queen-sized bed in the aft section and a forward bunk that converts to form a social gathering area.
- Innovations, found throughout, include standard Joystick Piloting; Digital Switching technology and Digital Dash w/ standard twin 12" Raymarine® glass displays.

- International Trailer - Aluminum w/ Bunks
- International Trailer - Aluminum w/ Rollers

BOW & COCKPIT LAYOUT

CABIN LAYOUT

SLX[®] 400 OUTBOARD

Excellence is a product of intention. The SLX 400 Outboard delivers personalized sport boat excellence to its owner. An orchestrated system of systems, the 400 can be outfitted to achieve your expectations of excellence on the water. From colors, graphics and electronics, to the power that moves you, the 400 will be exactly the boat you want it to be. With Next Wave™ innovations throughout and exceptional style and performance, you couldn't pick a better boat.

Redefining typical bow rider ergonomics, the deep bow Tour seating w/ fixed cushions, arm rests and stowable table helps everyone spread out..

All-day boating is more comfortable than ever, and that comfort extends overnight. A spacious cabin gives boaters a place to get out of the elements with confident, assertive proportions and sophisticated finishes. This is no ordinary day boat: In the aft section, a queen-sized bed allows for overnighting.

Innovative standards found throughout the SLX 400 Outboard include an advanced Digital Dash interfaced through standard twin 12" Raymarine glass displays and joystick Piloting for effortless docking and maneuvering in the tightest of spaces.

The forward bunk converts from a social gathering area to a wide bed to sleep additional passengers while an elegant enclosed head ensures comfort during extended outings.
