GRAN TURISMO – KEY SELLING POINTS

CONCEPT

- **Power and control**

With its inboard engines, the Volvo Z-Drive D6 (2X380 CV/HP) or the Volvo IPS D4 (2X 440 CH/HP), and its Air Step® hull which has further confirmed Beneteau's reputation for producing dynamic, high-performance boats, the Gran Turismo 45 offers outstanding performance and optimal safety, whatever the conditions.

- **Full access to a wide range of sea-going leisure pursuits**

The vast hydraulic bathing platform is perfect for enjoying water-based leisure activities. Recreational and practical, the GT 45 has an ingenious tender garage hidden under the aft sun deck. This garage will rapidly prove its worth due to its electric winch and cover, and can be converted into a very useful storage area.

- **Invitation to cruise**

The calm, refined atmosphere and bright, airy spaces of the lower deck provide a comfortable area in which to relax and enjoy the cruise. The owner's suite has a full-width cabin with private head and separate shower area, while the VIP cabin in the bow area has scissor berths that occupants can arrange as they wish.

- **Windows and roofs**

With a hard-top that contains an electric sunroof as standard (with optional glass panel) and, if desired, a retractable glass window closing off the rear of the cockpit, the GT 45 provides the perfect indoor-outdoor experience, with effective protection against the weather when needed

GRAN TURISMO 45 – Exterior KEY USB's

CONCEPT

- Air step hull
- Tender garage
- 2 versions : electric patio door or open version
- Huge and convivial cockpit area

GRAN TURISMO 41 – Exterior KEY USB's

CONCEPT

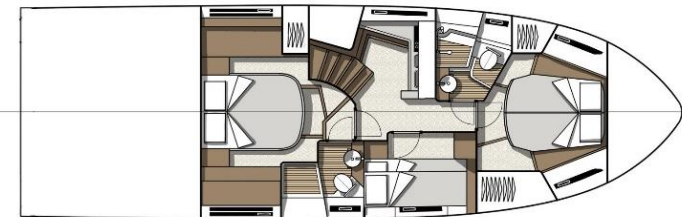

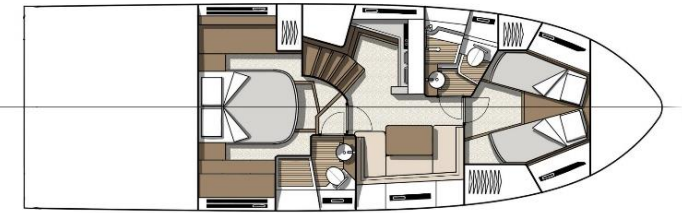

- Electric pop up TV mechanism in the cockpit
- Bathing platform grill option
- Electric or panoramic sunroof
- 2 comfortable sunbeds

GRAN TURISMO 45 – Interior KEY USB's

CONCEPT

- Central galley location
- Full beam master room
- 2 or 3 cabins layout
- New grey walnut ambiance
- Lacquered white storage
- Larger hull windows

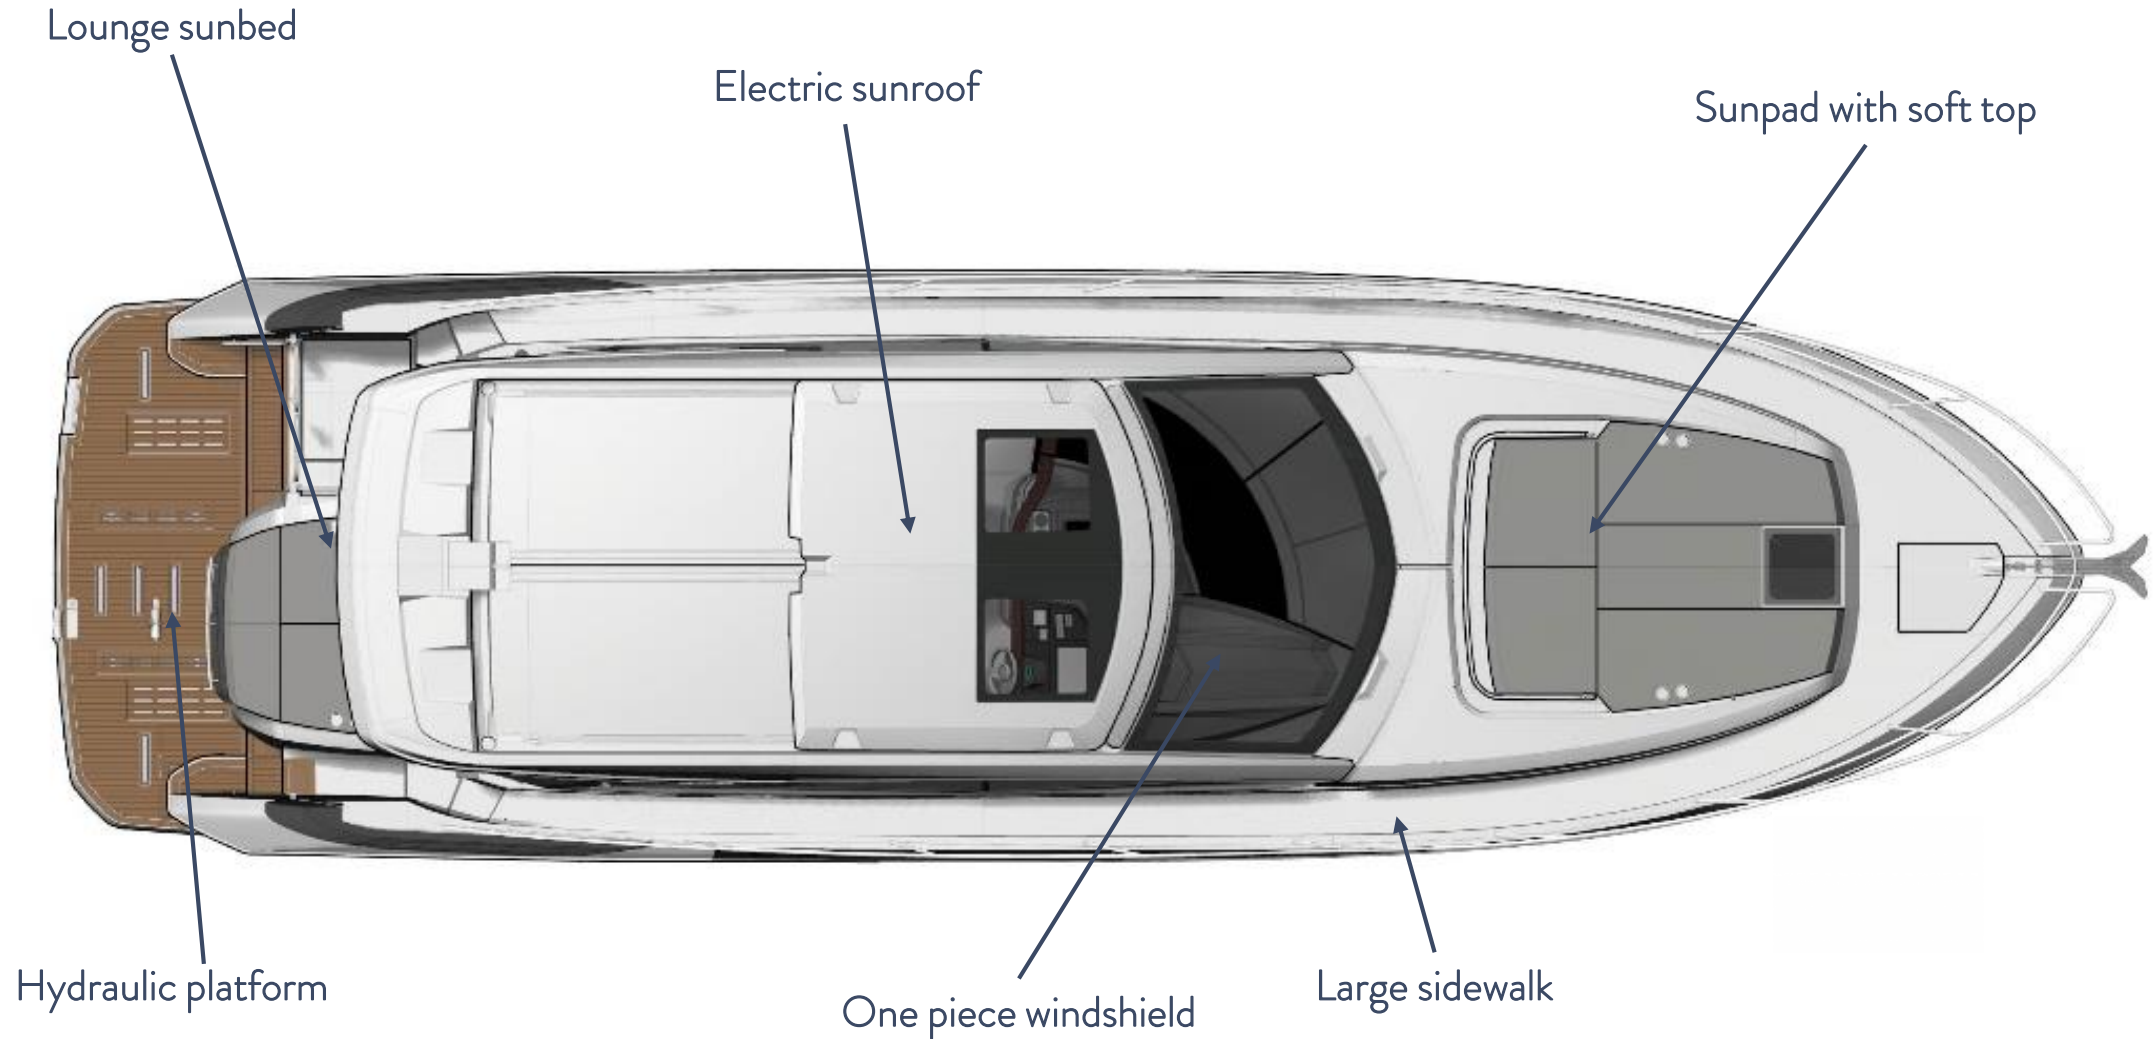

The image shows the interior of a yacht's main deck. In the foreground, a wooden table is set with drinks, including a gin and tonic, and a small tray. To the right, there is a white upholstered sofa with a dark blue cushion. In the background, a television screen displays a scenic view of a river or lake. The deck is enclosed by a white cabin structure with large windows. The overall atmosphere is bright and modern.

The image shows the interior of a yacht's lower deck. On the left is a kitchen counter with a white countertop and light-colored cabinets below. On the counter, there is a red ceramic vase and a blue ceramic pitcher. To the right of the counter is a built-in seating area with a light-colored, textured fabric sofa and a wooden table. The sofa has several cushions, including blue and white ones. The ceiling is white with recessed lighting. The overall design is modern and functional.
